New Military Community Liaison Elesha Granniss joins Pinnacle Point Behavioral Healthcare System

Little Rock, Arkansas, August 1, 2022 — Pinnacle Pointe Behavioral Healthcare System is pleased to announce our new military community liaison, Elesha Granniss. Elesha will assist referral sources and military families with the admission process, treatment, and continuum of care at discharge.

Elesha is a retired Air Force Master Sergeant, spouse of a veteran, and mother, who knows firsthand the challenges military families face. She has extensive experience working with military, veterans, and their families. “We are excited to have Elesha as part of the Pinnacle Pointe Team,” states Shane Frazier, CEO, Pinnacle Pointe Behavioral Healthcare System. “Her dedication and experience will continue our mission in providing exceptional services to our military families.”

Pinnacle Pointe Behavioral Healthcare System is located in Little Rock, Arkansas. We provide acute and sub-acute inpatient services for children and adolescents ages 5-17. As a TRICARE approved facility, we are honored to provide services to military dependents across the US and overseas.
